MEGAN JONES

Ready Set Trot Ambassador

Megan is one of the sporting stars from Adelaide, who started riding at age five and quickly became an active member of pony club. Eventing became a focus at age 10 when she saw the 1986 World Eventing championships in Gawler, South Australia.

Amongst the vast array of international successes including being part of the Australian team who claimed bronze at the 2006 World Equestrian Games, Megan won a **silver** team medal **2008 Australian Olympic Games** in Beijing.

Megan spends her days coaching, riding, competing and running the family stud farm, Kirby Park, situated on 100 rolling acres in Hahndorf, South Australia. Over the years the farm has built a good reputation for breeding and producing exceptional Event horses, namely Irish Sport Horses.

Megan is a well-respected and highly sought after coach, mentor and role model of many of Australia's young riders. Megan is passionate about youth development and also coaches at the grass roots level. She is a popular coach and has students based across Australia.

With Megan's renowned coaching experience and a successful riding school behind her, Megan was the perfect fit as a Ready Set Trot ambassador. Megan heavily contributed to the development of the Ready Set trot program and ensured her riding school was one of the first accredited Ready Set Trot delivery centres in Australia.
